		Overnight stay x _____	<input type="checkbox"/>	\$600 per night
TOTAL				

Hospital charges include BLIS coverage for 90 days after surgery.

I have read and agree to the following charge and payment guidelines:

- 1) If complications are encountered and the length of stay for my procedure exceeds the length of stay listed above, I will be responsible for 60% of the total account balance, if applicable.
- 2) The total cost of the procedure is due and payable at the time of pre-admission testing in Registration and surgeons office. Separate checks will be made payable to:
 - a. Centennial Medical Center
 - b. Your Surgeon
 - c. Anesthesia Medical Group
- 3) Any charges associated with tests performed to rule out illnesses or to give medical clearance for surgery (i.e. chest x-ray) are not included in above cost. Any charges associated with pathology fees (i.e. liver biopsy) are not included in the above cost.
